ARTICLE XIID

Old National Highway Overlay District

- 12D.1. **PURPOSE AND INTENT.** The Board of Commissioners of Fulton County, Georgia hereby declares it to be the purpose and intent of this Resolution to establish a uniform procedure for providing for the protection, enhancement, preservation, unity of design, and use of places, sites, buildings, structures, streets, neighborhoods, and landscape features in the Old National Highway District in accordance with the provisions herein.

This Resolution is adopted as part of a strategy designed to promote the health, safety, order, prosperity, and general welfare of the citizens of Fulton County through the regulation of design, aesthetics, location, bulk, size of buildings and structures, and the density and distribution of population.

This Resolution also seeks to reduce congestion on the streets; to provide safety from fire, flood and other dangers; provide adequate light and open space; protect the natural environment and address other public requirements, in order to provide sustainable development that involves the simultaneous pursuit of economic prosperity, environmental protection and social quality.

This Resolution also seeks, among other things, to promote accepted design principles in areas of new development and redevelopment, to raise the level of community understanding and expectation for quality in the built environment, to protect and enhance local aesthetic and functional qualities, and to stimulate business and promote economic development.

In consideration of the character of the Old National Highway District, these regulations are to monitor the suitability for certain uses, construction and design, prevent functional and visual disunity, promote desirable conditions for community and commerce and protect property against blight and depreciation.

- 12D.2. **OLD NATIONAL HIGHWAY OVERLAY DISTRICT REGULATIONS.** The Old National Highway Overlay District applies to all properties zoned or developed for nonresidential and residential uses (except single family detached dwelling units) which have frontage on Old National Highway or have direct access to Old National Highway, or are located on streets that intersect Old National Highway in Fulton County between the City of College Park limits, Union City limits, and Fayette County (see attached map). Within the Old

ZONING RESOLUTION OF FULTON COUNTY

National Highway Overlay District, land and structures shall be used in accordance with the standards of the underlying district.

Whenever provisions of this Article conflict with any other Article in the Zoning Resolution of Fulton County or any other Fulton County ordinances, regulations, or resolutions, these standards shall prevail.

12D.3. **DEVELOPMENT STANDARDS.**

12D.3. A. Landscaping

1. 15-foot wide landscape strip along any property line adjacent to a public street when Article 4 of the Zoning Resolution otherwise specifies a smaller landscape strip:
 - (a) The landscape strip may be as specified by the Fulton County Tree Preservation Ordinance, or may be a combination of hardscape elements (plazas, planters, benches, fountains and tables, etc.), ground cover, shrubs, and the required number of hardwood trees as specified by the Tree Preservation Ordinance.
 - (b) Shrubs shall be a minimum height of 3 feet at time of planting.
 - (c) A minimum of one 3” caliper hardwood shade tree is required for every thirty (30) linear feet of landscape strip.
2. 10-foot wide landscape strip along any interior property line adjacent to a nonresidential zoning and/or use.
3. All landscaped areas shall be maintained by the property owner(s).
4. Landscape treatments shall not obscure street addresses.

12D.3. B. Screening

1. Refuse areas shall be enclosed on four (4) sides with opaque fencing, 12 inches higher than the receptacle, and constructed of the same material as the building structure. One side shall be a self-closing gate. Refuse receptacles shall not be placed within 50 feet of an existing residential or AG-1 (Agricultural) zoning district.

2. Accessory site features are prohibited in the front yard of any property.
3. Accessory site features located on the ground shall be screened from view from any public right-of-way, any residential use, or any residential or AG-1 zoning category by one of the following: placement behind the building, 100% opaque fencing, berm or vegetative screen planted to buffer standards.
4. Accessory site features on a roof shall be screened by a parapet or other architectural feature or as approved by the Director of Environment and Community Development.
5. When required, fencing material around detention/retention facilities shall be black or hunter green vinyl coated chain link fence.
6. Retaining walls shall be faced with or constructed of stone, brick, or decorative concrete modular block only.
7. Loading docks shall be screened by a continuous hedge of evergreen shrubs. Shrubbery shall be a minimum height of five (5) feet at time of planting. Shrubbery must be cared for under a continuous maintenance program. (Amended 07/02/03)

12D.3. C. Pedestrian Paths

1. Sidewalks are required along all public and private road frontages.
2. Internal walkways (paths) are required from the public sidewalk to the main entrance of the principle use of the property and shall meet applicable Americans with Disabilities Act (ADA) standards for slope, width, texture, level differences, and ramps.
3. Pedestrian paths may be constructed of either colored/textured materials or conventional sidewalk materials and shall be clearly identified.
4. Pedestrian paths shall be illustrated on the site plan submitted at the time of application for a Land Disturbance Permit
5. Paths shall be designed to minimize direct auto-pedestrian interaction.

6. Paths shall be connected to signalized crosswalks where applicable.
7. Paths shall be direct and convenient routes between points of origin (such as a bus stop) and destination (such as a shop, bank, etc).
8. Street furniture shall be located outside the specified width of any pedestrian path.

12D.3. D. Building Materials and Architectural Treatments

1. Developments shall include architecture elements such as columns, arcades, covered entry-walkways, arches, facade offsets, windows, balconies, offset walls, clock towers, cupolas and/or courtyards.
2. All buildings shall be brick, precast concrete, natural stone, cementitious stucco, tinted glass or horizontal clapboard siding (or an equivalent alternative treatment approved by the Director of Environment and Community Development). Exterior metal siding is allowed in industrially zoned districts but only on non street-facing facades. (Amended 06/01/11)
3. The exterior wall materials of all structures except industrial buildings shall consist of a minimum of 60% (per vertical wall plane) of the following: horizontal clapboard siding, brick or stone (or an equivalent alternative treatment approved by the Director of Environment and Community Development). (Amended 06/01/11)
4. Accent wall materials of glass, architecturally treated concrete masonry, precast stone, or stucco (or an equivalent alternative treatment approved by the Director of Environment and Community Development) shall not exceed 40% per vertical wall plane. (Amended 06/01/11)
5. The principle entry area of a building shall be articulated and express greater architectural detail than other portions of the building.
6. Exterior finishes for accessory structures shall be consistent with the principle structure.
7. Permitted colors for exterior walls, building components, sign structures, accent and decorative elements shall be as specified by

Table 12D or as approved by the Director of Environment and Community Development.

5. All garbage, trash, and other debris shall be removed from the interior and exterior of vacant premises.
6. A deadbolt shall be installed on the front exterior door above the existing lock of an abandoned structure.
7. Except as provided for in Article 19, the storage and/or sale of goods is prohibited in parking lots and other areas outside of the

interior or permanently sheltered portions of a building. (Amended 03/03/04)

8. Shopping carts shall be stored inside the structure or in parking lot receptacles.

12D.3. F. Architectural Review Process (Added 03/03/04)

1. At the time of application for rezoning and/or use permit, a land disturbance permit or a building permit, the applicant will be directed to the community for a review of Old National Overlay Design Standards. The community will be allowed ten working days to review and comment. An application which otherwise conforms to applicable codes and regulations shall not be delayed issuance of a permit for more than 10 working days due to this review and comment period.
2. Prior to the issuance of a building permit, the applicant shall submit samples of exterior materials, colors, design and architectural details of proposed building(s) and demonstrate compliance with the architectural design standards set forth in this ordinance.
3. Fulton County staff will review land disturbance, exterior building and sign permit applications for compliance with the Old National Highway Overlay District. Upon determination of compliance, a Certificate of Endorsement (CoE) will be provided in the form of signing the formally submitted plans and drawings.

12D.4. SIGNS. (Amended 06/04/08)

1. The architectural color standards of the Overlay District apply to the sign structure and not the sign face.
2. Sign structures and faces constructed of wood or canvas materials are prohibited.
3. Window signs along the Old National Highway Corridor are prohibited.

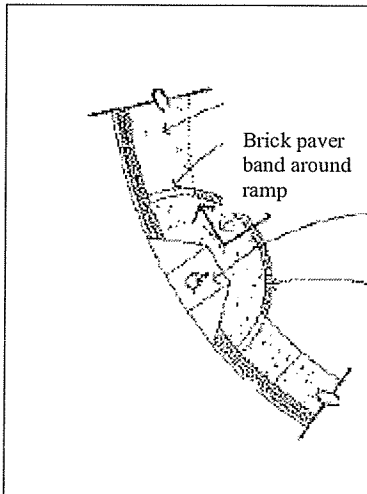

12D.5. Streetscape Standards (Added June 4, 2008)

1. A single decorative style black finished light fixture and pole shall be used along the entire length of Old National Highway and for a distance of 500 feet along the north and south sides of Flat Shoals Road where it intersects with Old National Highway. (Style as pictured below)

ZONING RESOLUTION OF FULTON COUNTY

2. Lighting shall be installed behind the sidewalk at 80 to 100 feet intervals. (Amended 02/04/09)
3. All sidewalks along Old National Highway shall be a minimum of 8 feet wide. The sidewalk shall include 2 feet of brick pavers laid in a running bond course pattern adjacent to the back of the curb. (See illustration below)
4. All handicapped ramps shall be constructed per GDOT and Fulton County standards with a brick paver band installed as illustrated below.

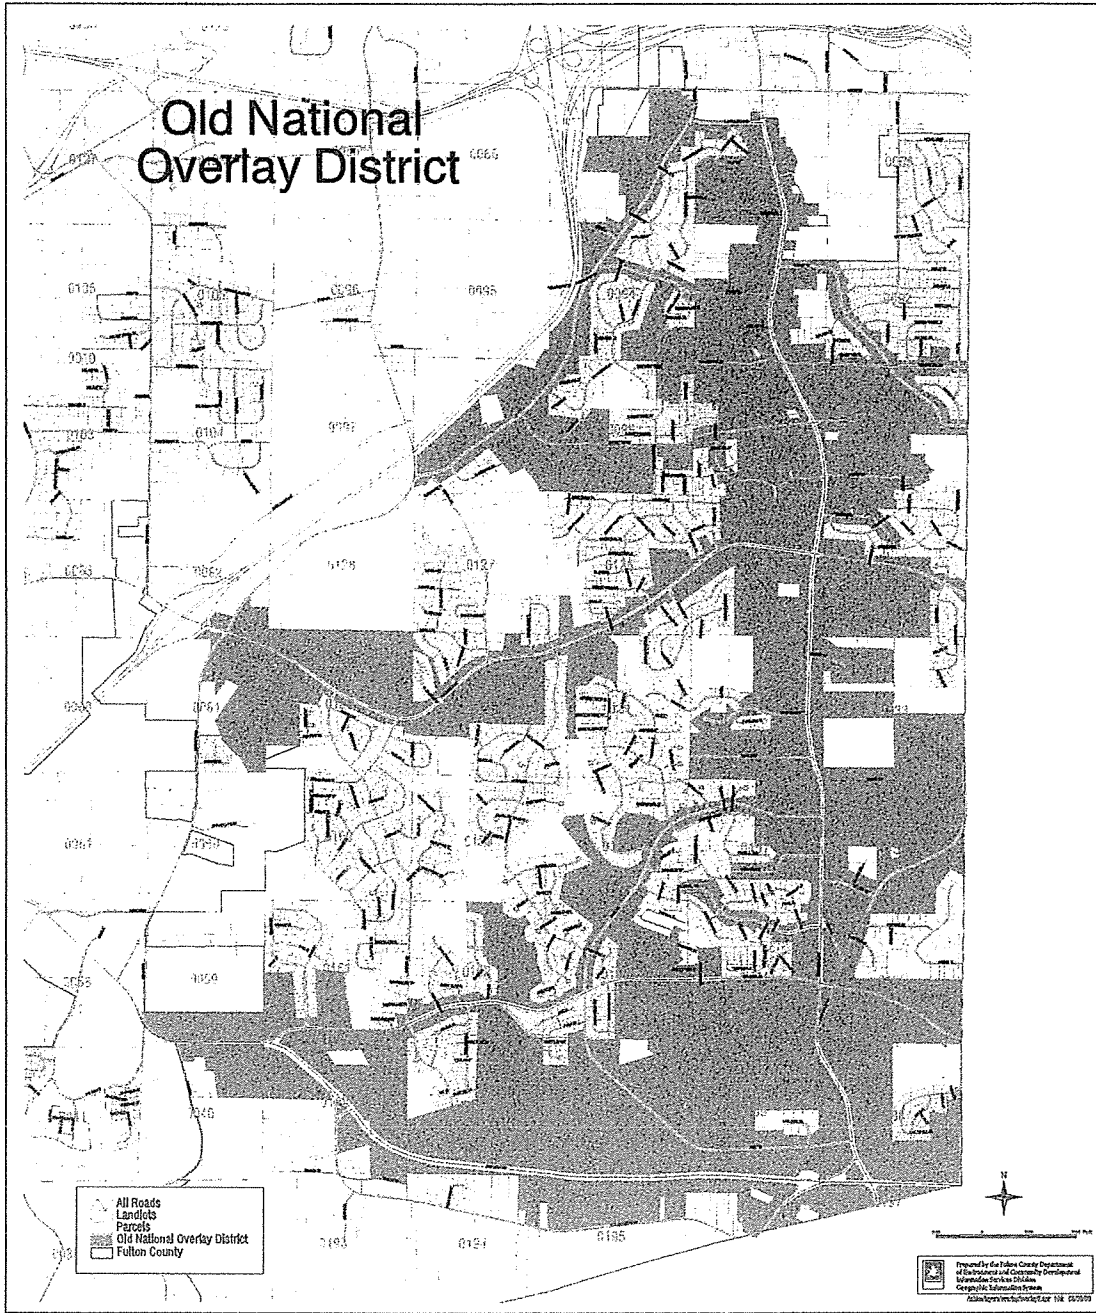

12D.6. **SEVERABILITY.** In the event that any section, subsection, sentence, clause or phrase of this Article shall be declared or adjudged invalid or unconstitutional, such adjudication shall in no manner affect the other sections, subsections, sentences, clauses or phrases of this Article, which shall remain in full force and

effect, as if the section, subsection, sentence, clause, or phrase so declared or adjudged invalid or unconstitutional were not originally a part thereof.

12D.7. **APPEALS.** Any persons aggrieved by a final decision of the Department of Environment and Community Development relating to this article may appeal such final decision to the Board of Zoning Appeals by filing in writing setting forth plainly, fully and distinctly why the final decision is contrary to law per the Fulton County Zoning Resolution. Such appeal shall be filed within 30 days after the final decision of the department is rendered.

12D.8 **ADOPTION AND EFFECTIVE DATE.** NOW, THEREFORE BE IT RESOLVED, the Fulton County Board of Commissioners does hereby ordain, resolve and enact the foregoing Article XIID to the Zoning Resolution of Fulton County, Georgia.
