

SCHOOL OUTREACH PROGRAMS

FULTON COUNTY
PUBLIC WORKS

Grades 3-5
2024-2025

Paper Watershed

Third Grade GSE: S3L2

Students will work in groups to create watershed models that will demonstrate how pollution enters and moves through a watershed.

Incredible Journey

Fourth Grade GSE S4E3

Students will play an interactive game to explore the many paths water can take as it moves around our planet.

Disease Detectives

Fifth Grade GSE: S5L4

Students will follow clues and discover the source and cause of a mysterious illness in 19th century London.
